Message from the Principal:

Our Junior/Senior Prom was this weekend and we had a perfect night with an amazing venue. Thanks for all of you that helped out to make the night so fun. Below you'll find a quick snapshot of the delicious cupcakes. Special thanks to seniors Rileigh Haan and Tiffany Gonzalez for leading the charge! Information for a prom committee for next year will go out to juniors in the next few weeks.

This week, Wellspring Prep will be featured in a segment on Wood-TV to celebrate our #1 ranking (in Michigan) by U.S. News and Report. The taping will be in studio Wednesday morning and air around 11 - 12pm this Wednesday, May 17. Check it out if you have an opportunity. Two additional local news stations will help us celebrate the following week. I will make sure to follow up with information on these events next Sunday. Have an amazing week!

Sincerely,
Matthew A. Stolz

IMPORTANT DATES FOR SENIORS AND SENIOR PARENTS -

LOTS of important things that YOU need to know! Here we go....

Senior Honors Night - we are ONLY celebrating SENIOR honors this year at the church. This is **THURSDAY, MAY 18**. We'll do a separate celebration for underclassmen. ALL seniors are invited, but only SOME of them will be receiving awards that night. Seniors NOT receiving awards are still encouraged to be there to support your classmates and celebrate with them.

Senior Final Walk Through

On Friday, May 26, our seniors will put on their caps and gowns and take one last walk through the halls of Wellspring Prep. This is a wonderful time to see how far they have come. They will begin their walk through at 2:25 and end in the gymnasium. Parents are encouraged to watch! Parents can begin to arrive at school at 2:15 and we will have a space for you to gather.

Graduation Day -

FRIDAY, JUNE 2

10:00AM- 12:00PM

MANDATORY REHEARSAL WITH CAP & GOWN

5:30PM- ARRIVAL AT CALVIN FIELDHOUSE

6:30PM - GRADUATION BEGINS!

There is no need to purchase tickets. I would recommend family members arrive no later than 6:00pm to get good seats. Anyone arriving after the ceremony has begun, will be directed to the upper bowl of the fieldhouse.

NUMB3RS - Davenport University Math Camp

Davenport is hosting a Math Camp this summer for students entering grades 9-12. It is completely free of charge! Students will have the opportunity to learn new math and review basics.
