Re: Reauthorization of Wellspring Preparatory High School

Dear Ms. Siegel,

On behalf of the Reauthorization Team, I am pleased to inform you and the Wellspring Preparatory High School Board that a recommendation to reauthorize will be made to the Board of Regents to issue a new charter for an additional 8 years. This recommendation will be made barring any unforeseen or unusual circumstances between now and the expiration of your present contract.

The Reauthorization Team was extremely pleased with the high academic standards and rigorous curriculum that is reflected in your high student achievement. We were also impressed with the dedication and hard work of the teachers, staff, school leader, and Board. You are to be commended for the consistency of leadership and teaching staff that has resulted in stability, strong student achievement, and academic growth.

Based on the recommendation of the Reauthorization Team and the proven evidence that your team has provided, it will not be necessary for you to come before the Reauthorization Team again. However, you must still submit any required paper work into Epicenter as discussed by the Reauthorization Team.

Thank you for all you do for the children of Michigan.

Sincerely,

Michael C. Parish
President
