Message from the Principal:

I can't believe we have reached out last full week of classes for the 2017-18 school year! This past Thursday our senior class graduated. To date, the class of 2018 has earned close to \$5 million in merit scholarships, volunteered more than 8000 hours and successfully completed more than 350 AP classes. Way to go Seniors!

Exams will take place the mornings of June 11th, 12th, and 13th with dismissal at 10:45 am. Report cards are slated to be mailed out on Friday, June 15th (but should be available via Infinite Campus on Thursday, June 14th). Report cards will include information to enroll in summer school if you qualify. Spots are limited for summer school and prioritized for upperclassman in need. Please reach out to the office if you have questions.

As always, we hope everyone has a great week!

Sincerely,

Emily Hurrell

From the Registrar:

***Graduated seniors can pick up their diplomas between 9am and 2pm, beginning Monday. Please call if you need to come at a different time to ensure your diploma is available. We can not give out diplomas during the beginning or end of the school day. NOTE: will only release diplomas to the recipient. For students who are not yet 18, a parent or guardian may pick up the diploma. Students with outstanding fines, textbooks, uniforms or with other obligations will not receive their diploma until those are taken care of.**

Summer is a great time for students to gather Community Service hours needed (15 per year, minimum, 120+ for special honors cord at graduation). Please be mindful that someone other than the student's guardian must sign the form as the supervisor. An email from a supervisor, with contact information, is also an acceptable means of reporting hours earned. Emails should be sent to mmcdonald@wellspringprep.com.
